Nestled within the coveted Devonshire Canyon just minutes from downtown San Carlos. Take a step back in time as you enter this 3 bed 2 bath home in original condition. Never before on the market. Original knotty pine beams with vaulted ceilings surround the combined living / dining area which truly enhance this homes country charm. Living space features a wood burning brick fireplace, high beam ceilings and skylight. Spacious kitchen with lots of counter space, storage and view of backyard with outdoor brick BBQ. The 9000 sq ft lot provides for ample parking for your boat, RV, motorhome and other oversized toys. There are very few homes in Devonshire Canyon with a lot size this large. This very rare 9000 sq ft lot provides the opportunity for expansion to the main home OR possible ADU. You'll appreciate the mature landscaping that surrounds the home. Home is in need of some updating & TLC, however, this home is truly a rare gem and being sold "AS IS". Seller will not be doing any repairs. Seller prefers a cash buyer, is relocating & actively seeking replacement property & needs a rent back. Top rated schools, parks, restaurants, farmers market and close to downtown makes this an excellent location to call home. Dont miss this rare opportunity.
